Herkimer Industries Appoints Contract Sales Manager

HERKIMER — Arc Herkimer Vice President of Industrial Operations Michael Lamb announced the appointment of Scott Riffle as contract sales manager at Herkimer Industries (HI).

As the industrial contracting division of Arc Herkimer, HI provides customers throughout the U.S. with manufacturing, contract packaging, industrial sewing services, customized product design, law enforcement and safety equipment, and an expanding line of LED lighting solutions for indoor and outdoor lighting. HI partners with state and federal partners and leading manufacturers to develop new services, projects, and products. The division, located in Herkimer, NY, also employs more than 115 workers, including individuals with disabilities supported by a non-disabled workforce.

“We were very fortunate to add Scott to our sales team as contract sales manager. With his years of experience and outstanding customer service, he has already proven himself as an asset to our organization.”

Riffle comes to Herkimer Industries with over 20 years experience in sales covering the northeast. Most recently he worked as a printing consultant for R.C. Brayshaw & Co., an integrated marketing and web development company with wide format, digital, offset, green and vinyl printing, located in NH. Riffle graduated from Hartwick College and he currently lives in Clinton, NY, with his wife Reneé.

For more information regarding partnering with Herkimer Industries, visit www.herkimerindustries.com or call Riffle at (315) 574- 7631.

Scott Riffle
